# FROM THE MINISTER'S DESK

## TOPSAIL UNITED CHURCH *"The Church by the Side of the Road"*

*"Jesus loves me, this I know.  
For the Bible tells me so;  
Little ones to him belong,  
In his love we shall be strong.  
Yes, Jesus loves me! Yes, Jesus loves me!  
Yes, Jesus loves me! The Bible tells me so.*

Dear Friends:

I Greet you in Christ's name. 2016 was another busy year here at Topsail United Church (*The Church by the Side of the Road*). The very first thing I must write is a heartfelt *Thank You* to the entire congregation for your commitment and support of the ministry of this congregation. It is a ministry shared by all of us. The ministry we provide is wide and varied and seeks to share Jesus' love as a people of God. The hymn "*Jesus Loves Me*" has been a hallmark of our faith expression from childhood. We know it as well as the Lord's Prayer and Psalm 23. And that is good but it can also mean that the message of the hymn can be lost in its familiarity. We have to guard against that because whenever we sing (or speak) of God's love through Jesus it proclaims the foundation of our faith and everything we strive to do in faith derives its meaning from the abiding love of God.

The story of God's love is found in the Bible. (*Jesus loves me, this I know. For the BIBLE tells me so*). It was said of Karl Barth (A Swiss Reformed Theologian who is often regarded as the greatest Protestant theologian of the twentieth century) that being asked by a student if he could summarize his whole life's work in theology in a sentence responded with the words "*Jesus loves me this I know for the Bible tells me so.*" We learn of God's love in the bible and we see it expressed in the world as people of faith live that love in deeds of kindness and acts of justice. These thoughts are in my mind as I write this letter for inclusion in the 2016 Annual Report.

A report mostly provides statistics and facts but those statistics and facts are founded upon the commitment to sharing God's Love. We strive, in our personal and communal faith, to express God's love in our care and respect for all people and all of Creation. This responsibility is further reflected in a beautiful hymn in "More Voices" by **Gordon Light** entitled: "Draw the Circle Wide"!

**Draw the circle wide, Draw it wider still  
Let this be our song, no one stands alone,  
standing side by side, draw the circle wide.**  
*(More Voices #145 "Draw the Circle, words by Gordon Light)*

The beauty and assurance of God's Love is there for us to enjoy and fine meaning for our daily lives. I realize, however, that some days it is difficult to feel that strength especially when our journey takes us through times of sorrow and loss. There are members of our congregation whose journey in 2016 has been difficult because of the death of a loved one or some other circumstance. I cannot take away that hurt but I want you to know that God's love is there for strength and, as a congregation, our continued support and prayers are with you as we strive always to draw the circle of God's love wide and stand side by side and walk shoulder to shoulder. May knowing that we are walking with you in prayer and presence bring you a sense of comfort and assurance on the difficult paths of life.

The beauty and assurance of God's love is also seen in our times of celebration. There were many opportunities for us to celebrate together as a congregation this past year. It would be impossible to mention all of them in the confines of this letter but I do want to highlight the opportunities given to us by our Sunday School students, Inspiration Band, Courage choir, their teachers and leaders, in presenting worship through music and song that enables us to express faith in new and exciting ways. We are very blessed by all our youth and their leaders and thank them for their willingness to share their time, talent and commitment with us.

The music program of our congregation also provides us with the opportunity to experience God's Love through our weekly worship. The ministry of our Choirs under the direction of Beth Cranston, Andrew Cranston, and Brett Vey is truly amazing and lifts our spirits as we come to worship each week. The opportunity to listen to the ministry of music, and sing the old songs of the faith as well as learn new ones is truly a blessing and an opportunity for our faith to grow. Indeed, as one of the hymns in Voices United states: *"Rejoice in the Lord always and again I say rejoice."* Thank you to our choirs and music leaders for your ministry.

Steven Rogers, our Congregational Designated Minister, resigned in April. We were sad to see him leave. We were truly blessed by Steven's ministry and wish him well and God's blessing in his future endeavors.

In August we welcomed Heather Cronhelm in the position of Youth Program Coordinator. In this position Heather develops and directs the youth program for our church. The leadership she and the youth provide for our congregation has enhanced and broadened our worship and congregational life experience with a deeper understanding of the scope and depth of God's love. Heather is a member of our congregation and is studying for the Order of Ministry. We are very pleased and thankful for Heather's ministry and are truly blessed by the insight and leadership she brings to our congregation. We wish Heather well as she continues her studies and surround her with our prayers and love.

Our Sunday School, our youth, our choirs, our music leaders and our Youth Program Coordinator are joined by a host of other individuals, members of the various committees and groups in the congregation who share their time, talent and commitment enabling us to experience and then share God's love through worship, work and witness.

This year has seen a couple of changes in the position of Office Manager. For a portion of the year Nicole Ivey-Cross was our office manager and provided wonderful leadership in the office but was unable to stay in the position due to family responsibilities. On behalf of myself and our congregation I want to thank Nicole for her expertise, efficiency, commitment and care as our office manager. We extend our well wishes to Nicole and her future endeavors.

In April we welcomed Jacqui Kennedy as our new Office Manager. The amount of responsibility as Office Manager is great. Jacqui has settled into this position very quickly with expertise, efficiency, commitment and care as our office Manager. We are very happy Jacqui is with us and look forward to working with her for years to come.

There were many highlights in this past year and, along with those I have mentioned, the Annual Report gives an account of the entire life and work of our congregation for 2016. It is with praise to God and a thanksgiving to you, the members of this congregation, that this report is compiled and made available. As you read through this report please do so with a deep sense of gratitude for God's blessings and God's guidance throughout the year.

It is difficult to write a letter for the annual report and not make reference to finances. The many projects we do are dependent upon the support of financial contributions. That being said, we celebrate the fact that in 2016 we were able to maintain a good financial position but we need to be always aware of the challenges to maintain that position. *(Please take a look at the report from our Finance Committee)*

Because of your generous support we have been able to pay congregational expenses and support the larger work of the United Church of Canada through our Mission and Service Fund. This is cause for celebration and I want to express my sincere thanks. Your commitment to sharing your time, talent and financial support is a ministry in itself and without your support the overall ministry of our congregation could not happen.

It was, however, a little concerning for me to see that congregational support through envelope giving was down from the previous year. We do need to maintain our level of financial support by making regular contributions and maybe even increasing them, if possible, because (as you know) expenses rise with each new year. The ways you can maintain regular contributions are by using weekly envelopes, monthly envelopes or by contributing through PAR (pre authorized remittance). Our church office can give you information on any of these ways. Thank you for your generous financial support.

As a means to ensure that we continue and celebrate the ministry of our Church we will be holding a Stewardship campaign beginning the end of April. This is a 5 week program with the theme "Called to be the Church: Congregational Giving Program." The title of the specific program is "Salt & Light" and will help us reflect upon how our generosity is our response to God's vast generosity in our own lives. There will be more information coming in the next couple of months.

I also, on behalf of myself and the congregation, want to express deep appreciation to our other church staff. Thank you to *Jacqueline Kennedy, Heather Cronhelm, Brett Vey, Beth and Andrew Cranston, Rosemary & Roger Richards* for their support, expertise, help and guidance to me and our congregation.

I end my letter with the remaining verses of "Draw the Circle Wide" as a means of thanking you once again for sharing your time & gifts to ensure that our congregation under the leading of God's grace continues to share God's Love day by day. The assurance that God always walks with us is my prayer for you as we begin 2017. My wife Dianne joins with me in wishing you God's blessing for the year ahead.

**God the still-point of the circle, 'round who all creation turns;  
Nothing lost, but held forever, in God's gracious arms.**

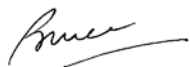

**Let our hearts touch far horizons, so encompass great and small;  
Let our loving know no borders, faithful to God's call.**

**Let the dreams we dream be larger, than we've ever dreamed before;  
Let the dream of Christ be in us, open every door.**

**Draw the circle wide, Draw it wider still  
Let this be our song, no one stands alone,  
standing side by side, draw the circle wide.**

*(More Voices #145 "Draw the Circle, words by Gordon Light)*

Blessings,

Rev. Bruce

# OFFICIAL BOARD CHAIR REPORT

*Wow, how time flies by.* This past year was my first as chair of Topsail United Church official board and I must admit, it has been an exciting time. Being involved with many of the church activities while addressing the issues that face our church on a regular basis really made me appreciate this position. I certainly learned a great deal about the operations of our church and the dedication and commitment required from so many volunteers. I would like to take this opportunity to thank all our volunteers who so freely donate their time. Without your hard work and dedication, we would not be the church we are today; vibrant and full of energy. Please, I ask you as members of our congregation, to take a minute and shake the hand of one of our many volunteers and thank them personally for their work. It is a small gesture but means so much.

Through the warm and welcoming spirit so often displayed by our leader and minister, Reverend Bruce, we continue to be strong in numbers and faith. Thank you, Reverend Bruce. God bless you.

This past year we've experienced many changes here at Topsail United. Our previous Chair, Mr. Dave Jones, completed his three-year tenure and on behalf of the board I would like to thank Dave for his commitment and dedication he so freely gives to our church. With the addition of Ms. Heather Cronhelm, Youth Program Coordinator, we have seen a revitalization of our youth programs evidenced by the increase in Sunday school attendance. Thank you, Heather. Also, we have a new administrator, Ms. Jacqueline Kennedy, who has joined us this past year. We thank you for your dedication and hard work. We are here to support you in the months and years to come.

We have a full slate of committees, active and strong, and as you read through this report you will appreciate the work our committees do, from outreach, to keeping the property in a well maintained and ecstatically pleasing condition. Our financial position continues to remain strong considering congregational givings are down slightly over the previous year. However, a word of caution; Topsail United Church is not immune to the effects of the recent downturn in the provincial economy. Our operating costs continue to rise. We will be introducing a Stewardship Program later this spring to assist in building on the current level of support that we so generously receive through our various givings and fundraising initiatives.

Topsail United Church has embraced change as it strives to better serve its congregation and the surrounding communities. Accepting new ideas is in keeping with the Bible's teaching, which instructs us to "Be strong and courageous .... For the Lord your God is with you wherever you go" (Joshua 1:9).

Let's think "outside the box" and collectively we will embrace change in a positive and supportive way. Thank you all for your commitment to our church; to your church. Without the dedication and support, of our congregation and community, the commitment of our board, our volunteers, all under the leadership of our minister, Rev. Bruce, Topsail United Church would not be the great place it is today, a place of friendship, of fellowship, and of loving spirit.

God bless you all,

*Brad*

# WORSHIP AND SACRAMENTS COMMITTEE REPORT

**Chair:** Doreen Cave

**Secretary:** Beth Cranston

**Members:** Barbara Brown      Marie Burt      Erin Burt  
Andrew Cranston      Heather Cronhelm      Rosalind Foley  
Allan Parsons      Jacqueline Perry      Wanda Saunders

**Ex-Officio:** Rev. Bruce Kearley

## **Summary of Activities:**

The Worship & Sacraments Committee met three times in 2016 - February, June and September. Sunday worship schedules were established for the year and business related to worship and other activities in the sanctuary was conducted. We were happy to welcome Erin Burt as our youth representative, and we thank Steven Rogers and Rev. Pearce Penney for their valuable contribution while members of our Committee. We were pleased that Heather Cronhelm accepted the position of Youth Program Coordinator.

## **SPECIAL SERVICES**

There were three Flower Services held in 2016: Long Pond on July 5, Topsail on July 12, and Upper Gullies on July 19. The Annual Hymn Sing took place on November 13. This year Christmas and New Years Day fell on Sundays and it was decided to hold Worship on these days. Both services were well attended.

## **MUSIC**

Led by Brett Vey, the Courage Choir and Inspiration Band held a fundraising concert in the spring. In November, the Mixed and Men's Choir led by Andrew Cranston, along with both youth ensembles and invited guests, held a Remembrance-themed concert, which also raised funds for our Church. Kevin Collins was booked to perform once again and this concert was also a fundraising success.

A generous donation of Hand Chimes was dedicated to our Church thanks to the gracious efforts of Lorraine Jarvis. The chimes have been played by the youth as well as by some adult volunteers. The intention is to continue to feature these wonderful instruments in a more regular fashion.

The Official Board has approved funds for a new Choral Scholar Program with an intended start date of March 2017, provided that appropriate candidates apply. Advertising has just begun with some interest already. The selected singers will be considered Section Leaders, responsible for becoming members of the Mixed Choir and facilitating part-singing during worship.

## **SANCTUARY**

A new Family of God Liturgy began to be adopted in 2016 but was discontinued after Steven Rogers' departure. The Liturgy may or may not be put into use again in the future.

Following a meeting with Rev. Heather Sandford to discuss possibilities around live-streaming Worship services, a proposal was prepared and provided to the Official Board. The lack of adequate internet service at the Church must be addressed if we are to continue with this project.

A pair of candle holders was graciously donated by Barbara Brown in memory of her son, Benjamin. The candleholders were dedicated on December 4.

The pamphlet of information kept in the pews has been updated so that all visitors may be aware of the various groups and ministries our Church provides.

There is a 175<sup>th</sup> Anniversary Banner hanging in the Sanctuary which was donated by George and Lorraine Jarvis. Our Committee has agreed to their request to change the anniversary numbers on a yearly basis, and to make other modifications as they see fit.

Together with the Property Committee, this committee shared efforts in re-arranging the Altar in order to make the area more spacious and safe. The layout of the Sanctuary is now that of a Split Chancel, with the pulpit placed to the congregation's left and a smaller lectern to the congregation's right, and the Communion table has been moved back toward the organ. The new pulpit and lectern were expertly fashioned out of the existing pulpit.

The Worship and Sacraments Committee expresses sincere thanks to all staff and volunteers who contributed to worship in our Sanctuary in 2016. We also thank those who filled in for vacations and other absences. We are blessed to work with such a special congregation at Topsail United. Your many talents and generous commitment not only to our own congregation but also the wider community are truly a testament to God's love.

Respectfully submitted,

Beth Cranston  
Secretary

# CHORAL DIRECTOR AND ORGANIST REPORT

It's hard to believe we have been sharing music together for almost four years. The time has flown by and continues to be a rewarding and enriching experience for both of us. We want to thank you for being such a warm and friendly community!

Our attendance has been steady both for the Mixed and Men's Choirs but there is always an open invitation to the congregation to consider joining either ensemble. If you've thought about it and just aren't sure, why not come visit us and try it out?

The Mixed Choir and the Men's Choir took part in a Remembrance concert this year, along with the Children's Choir and Youth Band, as a fundraiser for the church. Aurora Women's Choir were invited guests. It was very well received by the audience and there are plans in the works for more concerts in 2017 featuring all of our music programs.

Some new repertoire that was purchased in 2015 was again featured for our Good Friday, Easter and Christmas Eve services. We plan to continue to build upon the choirs' repertoire in 2017, as well as regularly introduce new hymns and congregational singing during worship.

Finally, we are grateful to the Board for their approval of a new Choral Scholars program. We are currently seeking up to four section leaders for our Mixed Choir. These singers would be responsible for attending all Mixed Choir services and rehearsals. They would possess strong sight-reading skills and help promote more frequent, and confident part singing in the choir.

A similar program was introduced two years ago, but we were unsuccessful in seeking interested applicants at the time. This new program is open to singers of any age and comes with an honorarium payable in two installments, one per term. Our search for applicants will take place in February with the intended start date being March 2017.

It is our hope that these new singers will help our existing choir members learn new skills and possibly even grow the choir beyond our congregation and into the wider community. We are excited about the opportunity to keep building on the choir programs to offer you new musical worship experiences.

Respectfully submitted,

Andrew and Beth Cranston  
Choral Director and Organist

# CHRISTIAN DEVELOPMENT COMMITTEE REPORT

**Chair:** Bond Swain  
**Members:** Glenys Moran Judy Powell Rosalind Foley  
Jo-ann Stone Charlotte Ackerman  
**Ex officio:** Heather Cronhelm

## **Summary of Activities:**

The Christian Development Committee met three times throughout 2016. The Committee's major focus continues to be the Youth and Children's programs of Topsail United Church. Aspects of the Christian Development Program that were carried out this year were the Sunday School, Youth Group, Youth Music, and Children's Choir.

Heather Cronhelm is now TUC's Youth Program Coordinator. The Committee acts as a resource to provide feedback and guidance to Heather, as well provides an oversight role with respect to the Christian Development Program. We thank Heather for all her hard work and dedication to our youth and to Topsail United!

The Courage Choir and Inspiration Band led by Brett Vey continue to provide Topsail United Church with uplifting music and entertainment.

The year-end service for the Sunday School was held downstairs in the auditorium on June 19<sup>th</sup> with skits along with the Courage Choir and Inspiration Band participating. The food was prepared by the Men's Club and the UCW.

Godly Play continues to be a part of the education program for the Sunday School but it was seen that the SPARK program was very beneficial to our children. Therefore, a decision was made to combine both programs into our Sunday School teachings. Last spring a fundraising campaign was launched to raise money for new Godly Play items. We are very thankful to the congregation and other groups for the over \$1600.00 raised. Heather is preparing the inventory of items/new stories to be ordered for the Sunday School.

The Committee is thankful for all of the wonderful volunteers assisting with Children, Youth and Sunday School Programs! We would also like to thank the Men's Club and UCW for their continued support and never ending will to help whenever asked!

# YOUTH PROGRAM COORDINATOR REPORT

I am thankful for this opportunity to report to the congregation as Youth Program Coordinator. The following report will primarily cover the fall semester of 2016 as my role began in mid-August 2016. Steven Rogers had provided leadership for our youth ministries as Congregational Designated Minister during the first few months of 2016. I am grateful for the talent, hard work and sense of vision that he shared during his time at Topsail United Church. The position of Youth Program Coordinator has now replaced the former Congregational Designated Minister position. I begin my report with a brief introduction of the Youth Program Coordinator position.

As Youth Program Coordinator, I am responsible for unifying, supervising and supporting the work of all youth programs within our church. This will include the youth Confirmation class which I will lead in partnership with Rev. Bruce. My position includes working with leaders, youth, parents, and the congregation as a whole. I work twenty hours a week in the capacity of Youth Program Coordinator. I have been hired on a ten-month contract. I report to the board through the Christian Development Committee. I also sit as staff member on both the Worship and Sacraments Committee and the Christian Development Committee. Over the past few months I have been grateful to have had Bond Swain's guidance in his capacity as chair of the Christian Development Committee. I feel equally grateful for the support and guidance provided by the Ministry and Personnel Committee as I began my new role.

## **Sunday School/Youth Sunday Class**

The Sunday School is blessed to have a group of dedicated leaders. Jo-ann Stone continues to serve as Superintendent. I appreciate the direction that she offers. I am also grateful for the insight shared by other leaders. We meet as a team as regularly as possible to plan and discuss issues relating to Sunday School. Sabrina Callan, Tonya Pelley, and Genevieve Phillips have also continued youth ministry within our Sunday School. We have welcomed four new Sunday School leaders: Erica Bungay, Lori Dinn, Jennifer Barnes and Tania Cave. I would like to thank Mona Morey for lending support as I began my new role in September. I thank her also for her years of dedication to our Sunday School. The Sunday School consists of five age groups. All groups with exception of the youth class meet in the church basement. The youth class meets in the boardroom. Preschool to Grade 6 uses two sets of curriculum. The group meets together for Godly Play once a month. I will be purchasing a new set of Godly Play stories in the near future. I have also contacted the Church of the Good Shepherd, as it is my hope that some of our leaders will take part in Godly Play in the Spring. Spark workshops are used twice a month. Each class takes part in a different workshop such as art, science, baking, and Bible games. The children appear to enjoy both curriculum. The children are also involved in contributing money to help support our foster child in Guatemala. During Advent some of the children drew pictures and wrote letters which we gave to Sara Budgell, Sara will send them to Guatemala.

The youth class is led by Jo-ann and Sabrina. They are using a number of resources in order to provide a class that aims to meet the interests and needs of this age group. There are 5 youth who are registered for this class. Other statistics for the Sunday School are as follows: Preschool (6), Kindergarten to Grade 1 (8), Grades 2 and 3 (8), and Grades 4, 5 and 6 (8). Altogether there were 35 children registered. There was an average attendance of 19

youth and children. Anne Allen continues to work as treasurer for the youth programs. Her contribution is appreciated.

### **Youth Music Ministry**

The music ministry programs continue to be led by Brett Vey. It is a joy to work with both Brett and the members of the Courage choir and the Inspiration band. Brett welcomes each member's energy, enthusiasm, and talent. He fosters a team spirit among group members and brings focus to the task of preparing musical presentations. Brett and I work together in choosing hymns and anthems for the family services. I am grateful for the musical talent and knowledge that he shares. Choir and band members provide an important ministry through the music that they offer. I know that congregation members are very thankful for their contribution. New members are always welcome. We would especially like to increase the number of younger members in the choir. Additional information regarding these groups can be found in Brett's report.

### **Encounter**

Encounter is a group that was initiated by Steven Rogers, Brett Vey, Jo-ann Stone, and I now co-lead Encounter. This group meets once a month on a Wednesday. On these evenings, band practice finishes early. Many of the band members are involved in the group and bring along their friends. Other youth from our church have also joined us and have brought friends. This time of fun and fellowship begins with grace and a snack such as pizza or ice cream. This is followed by games. We end the night with a time of sharing. The youth appear to appreciate having a place where they can speak openly with their peers. It is a privilege to work with this amazing group of young people.

### **Family Worship Services**

Children and youth assist in leading worship on the third Sunday of the month. Members of both the Sunday School and music ministry programs take active roles in reading scripture passages, leading the Call to Worship, and leading the congregation in prayer. Children and youth also assist in taking up the offering. Also, a family is invited to give out bulletins. The family services usually focus on a theme that is celebrated by our National Church. Music is led by the Inspiration band and the Courage choir under the direction of Brett Vey. These musicians are very talented. The practice time given to prepare for anthems and congregational pieces also shows their dedication. Many thanks to Stephen Stone for working with the sound system. Reverend Bruce and I work as a team in leading other aspects of the service. The ministry provided by our children and youth is treasured. These services are a blessing to members of all ages within our church family.

### **Christmas Pageant**

"Shepherds Sheep and a Savior" was created by Ed Kee. This piece is a musical that invites participants and the audience to experience the first Christmas through the eyes of a group of shepherds. Through their journey to Bethlehem, the shepherds learn that everyone is special in God's eyes. The shepherds also proclaim the good news that God has come to be with us in His son Jesus. All children had the opportunity to take part in the pageant as shepherds, travelers, sheep, and angels. Sunday School leaders also dressed up and led groups as they moved around the sanctuary during musical portions of the performance. Those with speaking parts did a wonderful job! The non-speaking parts were also played with enthusiasm and creativity! During Advent, Sunday School children and leaders worked hard to prepare the acting parts. Extra practices were attended also during the week leading up to the pageant. Children also prepared star shapes that were hung in the

sanctuary as pageant props. Under Brett's leadership, the Courage Choir and the Inspiration band began to practice the musical portion of the pageant in the fall. Their extra practice was evident on the day of the pageant. The music and singing were amazing! We were also very pleased that both Colin Perry and my son, Nick Slade, could join with the band for this event. Both the congregation and the participants appeared to enjoy this Christmas celebration. The pageant is an example of the unique ministry that our children and youth provide. The response of the adult members of the congregation showed that they truly honor the gifts that our young people have to give. Following the pageant there was a well-attended time of refreshment and fellowship downstairs. I would like to thank Andrea Deacy who played carols on the piano for a sing along. This time was enjoyed by all!

### **Christmas Eve Services**

I would like to thank Rosalind Foley for planning and providing leadership for the 4 pm children's service. It was a blessing to see Rosalind provide ministry in this way. The children presented "The Friendly Beasts". This presentation consisted of both reading and singing parts. Instrumental music and an anthem were provided by members of the Courage choir and the Inspiration band. Rev. Bruce provided a Christmas message with the help of a lamb puppet. The Vey family lit the Christ candle. Sunday School children also helped to take up the offering. The service was very well attended and well received. I provided leadership for the 6 pm service along with Rev. Bruce. This was a service of candle lighting, carol singing, and reflection. Children and youth participated by reading Luke's account of the first Christmas, taking part in leading the call to worship, and leading prayer. Children and youth read and lit advent candles throughout the service. Sunday School children also helped collect the offering. My reflection was titled "Christmas Beauty". I read from "Why Christmas Trees Aren't Perfect" by Richard H. Schneider. Members of the Courage choir and Inspiration band provided music throughout the service. They also presented a unique version of Fred Jay's "When a Child is Born". This piece had also been presented in the 4pm service. This service was also well attended and appeared to be well received,

In closing, I would like thank all who support the youth ministries within our church. Thank you, fellow staff members, the committees and groups within our church, and all congregation members. It is very evident that within Topsail United Church, children and youth are a welcomed group of our community of faith. There is much that is being done to support them in their faith development. It is also evident that children and youth are encouraged to share in the ministry of proclaiming God's love. I also thank all those who have been supportive to me in my role as Youth Program Coordinator. A special thank you to Rev. Bruce for his support and guidance. I will continue with God's direction and grace to do the best I can to support children, youth and leaders during the rest of my time as Youth Program Coordinator. May each of you know Christ's peace and Joy!

# YOUTH BAND AND CHOIRS DIRECTOR REPORT

The Topsail United Church Youth Program includes the Courage Choir, Inspiration Band, and Encounter group.

Beginning in 2016, both groups worked with Brett Vey who coordinated with Steven Rogers whose employment finished towards the beginning of summer. Steven's contribution was very well noted and his efforts were very well received. Starting in September, Brett coordinated programming with Heather Cronhelm. The team is doing an excellent job continuing on the path as well as adding new innovative ideas.

Steven Stone continues to serve as sound technician for all events as well as helping with setup and tear-down. Members of *Inspiration* are very helpful with the younger members of *Courage* during setup for services.

Beginning in 2016, *Encounter* has been added which is a very social night whereby members of *Inspiration* can invite their friend for "ice breaker" type games as well as an open discussion about their lives and opinions. *Encounter* takes place once per month.

The Christmas pageant was very well received. Two alumni members (Colin Perry and Nick Slade) from the band took part in the service to help out. 2016 has been a great year for youth programming and the members are a pleasure to work with.

## **Courage Choir:**

The *Courage* choir consists of nine members between the ages of 6-14 years. Led by Brett Vey, they rehearse each Wednesday night from 6:30 to 7:30. Although their main focus is to lead the family services, they also participate in other events around the community as well. Some of these events include a Christmas Eve service, a fundraiser for the food bank, and concerts at Topsail United Church. During the rehearsals the participants get to learn singing techniques, harmony, and sometimes use instruments such as chimes, boom-wackers and percussion. This group is a pleasure to work with and the bond between members and the leaders cannot be understated.

## **Inspiration Band:**

The *Inspiration* band consists of eleven members between the ages of 13 to 17 years. The assortment of instruments include violin, piano, bass, drums, percussion, saxophone, flute, accordion, viola, cello, guitar, glock, and mandolin. This very talented group have really taken pride in this band and the camaraderie between members is very strong. *Inspiration* rehearses each Wednesday night from 7:30 to 9:30. Similarly to *Courage* they focus primarily on the family services as well as outside performances. This group is very fun, talented and motivated.

# OUTREACH COMMITTEE FOOD BANK REPORT

Thank you for your support of the CBS/Paradise Community Food Bank through donations of both food and money during 2016. Please try to remember to bring along a donation of food each Sunday when you come to worship. Thank you to the Men’s Club for their additional donations of food and money throughout the year.

The past year saw the use of the Food Bank increase rapidly due to people returning from Alberta and the downturn in the economy here at home. Following special appeals in the fall there was a huge response to the need which continued on until the end of the year. The Christmas “Hamper” program, which saw each family unit receive a turkey, a vegetable hamper, and a gift card for the purchase of food, went ahead thanks to your response and that of the Avalon North East Rotary Club. A total of 324 Christmas “Hampers” were given out and gratefully accepted.

At Christmas some of our regular clients are looked after by other organizations such as the “Single Parents Association” or a school for their Christmas Hamper and we request that these organizations file the names with “Food Sharing” to eliminate duplication.

The majority of monthly hampers continue to be requested by people who are in receipt of government assistance. We know that there are others in need, especially the working poor and those waiting to receive benefits. If you know of someone who is in need, please let them know that the Food Bank is there for them. **No one is turned away.**

The Food Bank continues to supply lunch items to schools in the CBS/Paradise area, to be given out as needed.

The Food Bank Board is an ecumenical initiative and as such is run by a committee of volunteers from all the churches in CBS and Paradise. The committee continues to seek increased financial help from the member Churches, Town Councils, Service Clubs and Businesses. Monthly expense for rent, salary, and utilities amounts to \$4,000 - \$5,000 alone. When special Food Bank Fund Raisers are held we ask for your support whenever possible.

The Food Bank year runs April 1<sup>st</sup> – March 31<sup>st</sup> . The Annual General Meeting is held each May and is open to the general public.

## MISSION AND SERVICE FUND REPORT

Outreach is responsible for the promotion of the Mission and Service Fund within the congregation. We provide the “Gold Banks” to encourage extra givings.

The United Church of Canada, through the “Mission and Service Fund”, partners with local churches in Canada and around the world to bring immediate and appropriate help to people wherever and whenever there is a need.

Each year we set a goal for our donations and we remit money to the National Church each quarter as it is received. Our goal is \$20,000.00 so we have fallen short again this year, however the Gold Banks for 2016 are being counted and will be included in 2017 donations now. Please remember the Mission & Service Fund when you donate to the church and collect your loose change for your “Gold Bank” – every little bit helps.

Thank you to Rev. Bruce for bringing the Mission & Service Fund to our attention each week with his reading of the “Minute for Mission” and thank you all those who have responded generously through your envelope, PAR and Gold Bank donations.

## Summary of Activities

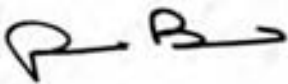

2016 was once again a busy year for the Property/Trustee Committee. While no projects involving capital expenditures took place during 2016, the following is a brief summary of some of the issues dealt with during the year:

From time to time there is a need for assistance and/or advice on specific matters as we deal with various projects and issues relating to the upkeep of the church and its properties. Thank you to those who have offered their services in this regard and I would again appeal for anyone that would be willing to serve in this capacity or would like to join our committee to reach out to myself or any other member of the Property and Trustee Committee.

In closing, I would like to thank all committee members for their continued support and dedication towards the time consuming process of maintaining our church building and cemeteries during the past 12 months.
